## AWS Certified Cloud Practitioner Code & Slides

Thank you for enrolling to this course! We're happy to have you here! Before we start learning some amazing stuff, let's get you set up in 4 easy steps!

## 1 Download the code here

Simply click [here](#) to start the download!

Once you're done downloading, decompress the zip file. Place it somewhere where you won't forget!

You will need to access it often during your learning!

## 2 Download the slides

To help you study for your certification, I am sharing the course slides with my students.

**Please only use them for personal learning purposes, thank you in advance.**

Simply click [here](#) to start the download!

## 3 Optional: Get the 6 Extra Practice Exams

This course comes with one full 65-questions practice exam .

**Therefore, I strongly recommend my 6 extra practice exams to maximize your chances!**

## 4 Optional: Join our mailing list!

Join our low frequency mailing list to stay up to date with new courses, get promotions and updates about AWS!

**As a thank you, we will send you discounts on all AWS Courses!**

Just click [here](#) to get started!

## 5 You're ready to start the course!

Happy learning :)
