AWS Certified Developer Associate Code & Slides

Thank you for enrolling to this course! We're happy to have you here! Before we start learning some amazing stuff, let's get you set up in 5 easy steps!

1   Download the code here

Simply click here to start the download!

Once you're done downloading, decompress the zip file. Place it somewhere where you won't forget!

You will need to access it often during your learning!

2   Download the slides

To help you study for your certification, I am sharing the course slides with my students.

Please only use them for personal learning purposes, thank you in advance.

Simply click here to start the download!

3   Optional: Get the 5 Practice Exams

This course comes with one practice exam included.

However, I recommend my practice exams bundle to maximize your chances!

4   Optional: <u>Join our mailing list!</u>

Join our low frequency mailing list to stay up to date with new courses, get promotions and updates about AWS!

As a thank you, we will send you discounts on all AWS Courses!

Just click <u>here</u> to get started!

5   You're ready to start the course!

Happy learning :)
